

Flash Words

HFW that are regular and decodable. These words are used frequently, and so students need repeated decoding and encoding practice, so that they can be recognised (read) and reproduced (spelled) in a flash.

~ /schwa/: this sound is pronounced as a /schwa/

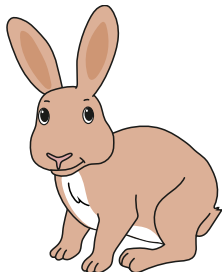

ey as in key

/ee/

key

money

monkey

le as in table

le (schwa +l)

jungle

little

table

uncle

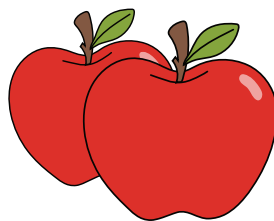

apples

/ee/

carry

everything

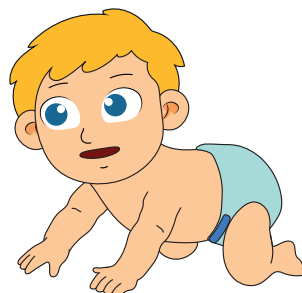

every

family

everyone

very

baby

Heart Words

HFWs that contain an irregular concept which cannot be decoded or a complex phonic concept not yet learned. The difficult part of these words must be learned by heart.

(High Frequency Words containing more complex patterns)

g as /j/	giant	magic	field	enough	young	country	cousin
ough as /oo/	through	movie					

(Irregular High Frequency Words)

partly decodable	mountain	lion	school	trampoline	special	picture	heart	music	eight	favourite	police	colour
irregular spelling	restaurant	minute	friend	once	beautiful	eye	pizza					

Note: Underlined words are words which cannot easily be segmented into sound segments with letters that map to each sound.
