

# Year 2 Teaching Sequence

PLD recognises that there will be a range of abilities within every classroom and advocates for three targeted teaching groups determined through the spelling placement screens. This teaching sequence presents an age-appropriate program for **Group 1** students. **Group 2** students (marginally behind the year level) and **Group 3** students (significantly behind the year level) will require personalised teaching plans available within the Integrated SSP Kits or using the planning tables located in the Teaching Sequence Manual.
